FAQ

How does Flexible Rent work?

Flex allows you to pay rent in two smaller payments, rather than a monthly lump sum. You can set your payment schedule based on your financial situation, giving you greater financial flexibility.

How do I apply?

Flex is available directly in your RentCafe resident portal. Simply log in when it's time to pay rent, and you'll see the option to apply on your payment screen.

If you are approved by 5:00 pm ET on the 4th of the month you will be eligible for Flex rent payment for that month. If you get approved after the 4th, you will be enrolled for the following month.

What does it cost to pay with Flex?

The monthly membership fee is \$14.99 (or less if you meet certain criteria). A bill payment fee of 1% of your total rent is also charged, additional card processing fees apply when using a credit card.

Can I change my payment schedule?

You have the flexibility to make changes to your payment schedule directly in your RentCafe portal. Just remember to reschedule at least one business day before the chosen date and ensure your account has a zero balance by 11:59 PM ET on the last day of the month to continue this service.

What do I do if I want to cancel?

Flex is completely optional. It's an added benefit that provides you with more payment flexibility. If you prefer to continue with your usual payment method, you can cancel your Flex membership at any time.

You can easily cancel your account in the Flex app (as well as reactivate an account). You can also reach out to our support team by emailing help@getflex.com or submit a ticket at help.getflex.com. You can also utilize Lex, Flex's live chat feature via the Flex website.

How do I know if I'm eligible to use Flexible Rent?

You must be 18 years of age or older and qualify for a Flex credit line, which we evaluate when you apply, based on your credit report information, payment history, and other factors. You also need to have a debit or credit card to make your payments to Flex.
